RE: DOCKET NO. ooP-1211/cp1

Commissioner Jane Henney  
FDA Dockets Management Branch (HFA-305)  
5630 Fishers Lane, Rm. 1061  
Rockville, MD 20852

As a consumer, I believe I have the right to buy food that is not genetically engineered. If the government does not require food to be labeled that the food or the seed is genetically engineered, I cannot make an informed choice.

Please support legislation to require labeling, as well as safety testing to study the impact of these food on the environment and human health.
